**REVISED NOTICE OF PROPOSED AWARDS****Alternative and Renewable Fuel and Vehicle Technology  
Program****Grant Solicitation GFO-18-603  
Outreach, Education and Collaborative Planning for California's  
Central Valley  
April 11, 2019**

On September 24, 2018, the California Energy Commission (Energy Commission) released a Grant Solicitation and Application Package entitled "Outreach, Education, and Collaborative Planning for California's Central Valley" under the Alternative and Renewable Fuel and Vehicle Technology Program (ARFVTP). This grant solicitation was an offer of up to \$1 million in grant funding for new outreach, education, and collaborative planning activities that will accelerate the adoption of alternative fuels and advanced vehicle technologies in California's Central Valley.<sup>1</sup>

The attached table, "Revised Notice of Proposed Awards," shows a correction of the total in the "Funds Requested" column. This notice is being mailed to all parties who submitted an application and is also posted on the Energy Commission's website at: <http://www.energy.ca.gov/contracts/index.html>.

Funding of the proposed projects resulting from this solicitation is contingent upon the approval of these projects at a publicly noticed Energy Commission Business Meeting and execution of a grant agreement. The Energy Commission reserves the right to negotiate with applicants to modify the project scope, the level of funding, or both. If the Energy Commission is unable to timely negotiate and execute a funding agreement with an Applicant, the Energy Commission, at its sole discretion, reserves the right to cancel the pending award or negotiate and execute a funding agreement with the next highest scoring applicant on the list.
